

Value Realization

Kyriba has established a structured approach to support our customers in their ability to identify and clearly demonstrate to upper management the value Kyriba has brought to their organizations.

Evaluate Success Achieved

Showcase success and identify value realized to date from the Kyriba partnership

Create opportunities to potentially leverage results for submissions to win awards and recognitions

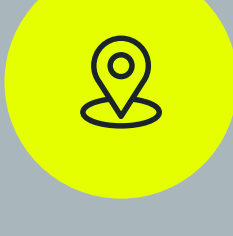

Maturity Level

Document Best Practices

-  Benchmark your Finance and Treasury practice against peers and leaders
-  Identify areas of competitive advantage realized versus any gaps

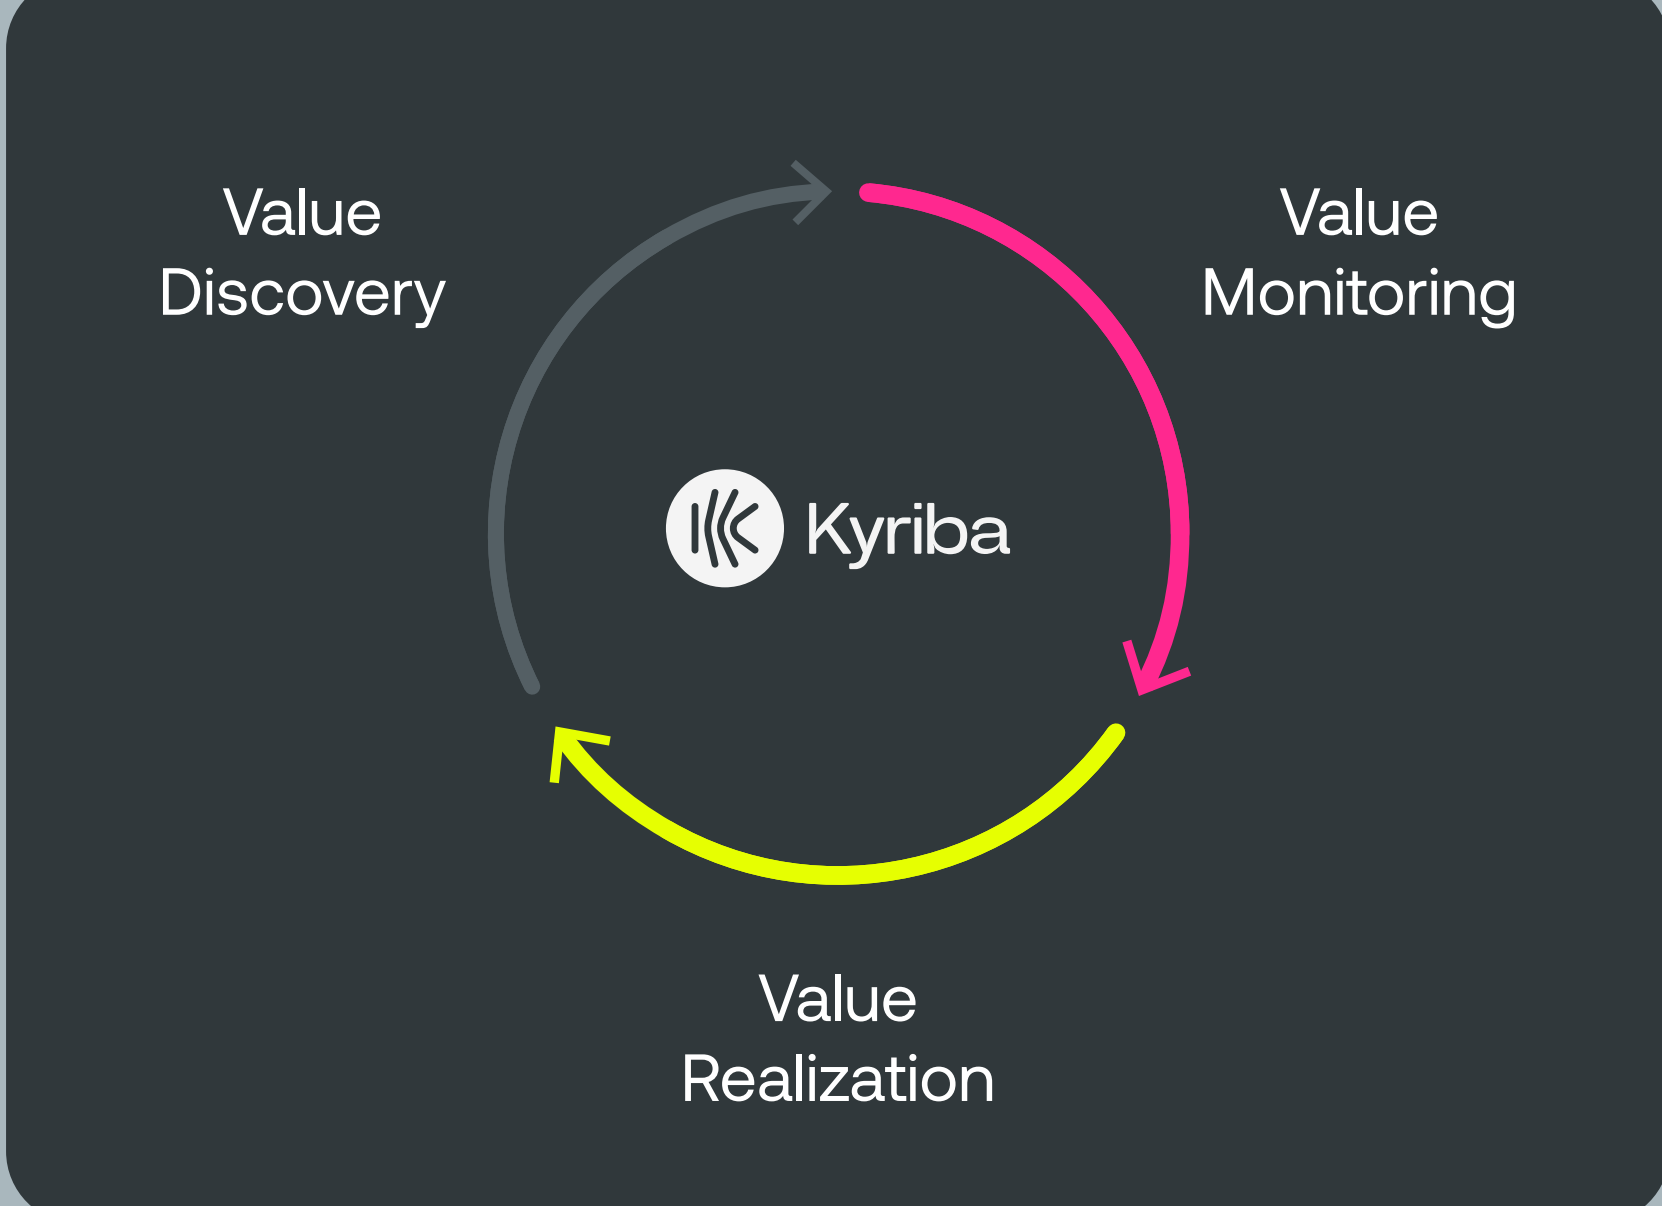

Identify Next Opportunities

Highlight quantitative and qualitative impact of implementing additional transformation within the finance organization

Secure a consultant grade analysis to justify value of expanding your Kyriba relationship

KYRIBA VALUE ENGINEERING Invested in Your Success

KYRIBA VALUE ENGINEERING

Success Stories

Kyriba has worked with many customers like you to assist in documenting the value achieved from their Kyriba Partnership and identifying opportunities for continued growth as a strategic partner.
